

Scarborough Sharks - BANTAM AA 2008-09

Head Coach Greg Wallace

NCCP level III certification

My name is Greg Wallace and I will be the head coach for the Scarborough Sharks Bantam AA team for the 2008-09 season. I have coached for 22 years, 21 of those years as a head coach. This will be my 12th year with Sharks during which time I have coached at all levels from Peewee B to Midget AA. I am married with four children - my daughter Jamie will be playing on the team this year. As a player, I have a long history with the game which includes 4 years in the Metro Jr "B" loop back in the 70's.

My mission for the upcoming season is to ensure our players understand the fundamentals of the game, and that they reach their full potential at the AA level. As in the past, a great environment will be provided for players to develop and grow their hockey and personal skills.

Assistant Coach Frank Sullivan

Frank has assisted with me for the last two seasons and will be a member of the team staff again this year as the defence coach for the coming season. Frank is married and has three daughters, which Karli is a member of the AA team.

Assistant Coach Glen Sisson

Glenn has brings the qualities of hard work and determination to every team he has coached in the past twelve years. A native of Scarborough, Glenn Captained his University Hockey Team at Toronto's Ryerson Polytechnical Institute 1980-1983 while earning his diploma in Business Administration. As Glenn's three children began playing hockey he decided coaching teams would be a great way to give back to the game. Glenn's coaching experience ranges from House league to AAA in the OWHA, OMHA and GTHL with both male and female athletes. Glenn brings a wide variety of coaching skills including strong leadership, planning skills, technical training, tactical preparation and a solid understanding of the growth and development of Bantam age athletes. This team will be the fourth Bantam team Glenn has been involved with. He brings a passion for the game and an ability to get players to work together as a group to reach a common goal.

Trainer Ann Annand

Ann has been a member of my team staff for the past 10 years as trainer. Ann has a daughter (Britney) that has played through the Sharks system. Anne is my key assistant - she deals with the girls on and off the ice in a professional and caring manner. Ann holds her training certification.
