Team Philosophy:

Have Fun, Work Hard, Good Sportsmanship, Teamwork, and a commitment to Learning and Development. We will create a program that will develop and improve each player's hockey skills.

We will establish a positive environment for the players with a focus on effort and hard work to improve and build self-confidence. We will build a team that allows each player to have a fun, positive and rewarding experience that will create lasting memories, friendships and a love for the game of Hockey.

Yours in hockey, Greg Clarke
