

## Scarborough Sharks Midget AA 2019/20

Ladies,

My name is Michael Grammatikos, and I've been awarded the Midget AA team for the upcoming 2019/2020 season with the Scarborough Sharks Organization.

A little about myself, I've played hockey for the better part of my life at the highest level as a goaltender. I had interest from OHL and NCAA teams before injuries ended my hockey career.

### **Commitment**

- two practices a week
- Dryland and video session two to three times a month
- Two games on average a week
- Approximately 5 tournaments throughout the season, with approximately 2 away tournaments.

**Philosophy**

- Team first mentality - you will put the team's needs before that of your own.

**Expectations**

- Commitment to the team and teammates
- Commitment to the coaches
- Attendance and a positive attitude is mandatory
- Respect yourself, your teammates, the coaching staff, the organization, refs and the opponents.

**Final Note**

The coaching staff are all non-parent coaches. I have worked with them both in the past, and they bring a wealth of knowledge, experience and are committed to the team. This commitment is something we expect in return. The 2019/20 program is pre-planned and builds from practice to practice. I do understand that players at this age have other commitments, however, I expect hockey to be a priority. Practices and dry land sessions are not optional, and you, the player, are expected to manage your time to incorporate school, jobs and hockey appropriately.

If you have any questions, please feel free to contact me at any time.
